

ethical consumption

text highlights

- why do you do it if you are aware?, unsustainable..
- consumerism
 - a better consumer would not buy fast fashion
- more and more people consume ethically
- **there is no such thing as ethical consumption under capitalism**
- *you don't need to be guilty about it*
- you just can't live with ethical consumption
- we all contribute

notes for the listened text

Ethical-	Conscious consumption
Isn't possible under our capitalism	Is the try to live more aware
Not possible under the big corporations we have	a thing young people want to do but can't do to financial problems
